AORN Periop 101: A Core Curriculum™
Recommended Videos

AORN recommends 30+ video titles to supplement the Periop 101: A Core Curriculum™. Videos may be purchased in CD-ROM and DVD format, either individually or in collections, or via an online video subscription, and can be used as education for all staff. To read content descriptions of the various videos, visit AORN's partner, Cine-Med®, at *http://cine-med.com/index.php?nav=aorn*.

AORN's Periop 101: A Core Curriculum™
Recommended Video Titles with Timing

To get the Periop 101 discount, video titles must be purchased within the term of your Periop 101 agreement. When a Periop 101 course facility orders video titles from Cine-Med, mention the special discount code all Periop 101 purchasers receive to verify qualification.

Special Offer

Those who have purchased Periop 101 agreements are eligible for significant discounts on video titles in either the CD-ROM or DVD format through AORN's partner, Cine-Med®. When ordering, you need to give Cine-Med your special Periop 101 discount code. If you are a Periop 101 Administrator or Facilitator, the following discounts are available:

- If you buy 6-10 video titles, the first one will be full price, and the next 5-9 videos will be discounted 25%.
- If you buy 11 or more video titles, the first one will be full price, and the next 10 or more videos will be discounted 50%.

If you want to try the new online individual or institutional video library subscriptions, please visit AORN's web site at http://cine-med.com/index.php?nav=aornonline, or call Cine-Med in Woodbury, Connecticut, toll-free, at 1-800-633-0004.
