

Organizational CNOR Test Preparation Scholarship Application Supported by the Competency & Credentialing Institute

The AORN Foundation is offering two (2) professional development scholarships for \$3,000 each to an organization (hospital, AORN chapter or other health care facility) to assist prospective candidates in preparing for the CNOR exam. These grants are supported by funding from the Competency & Credentialing Institute (CCI). CCI is the exclusive governing body of the CNOR credential.

Examples of Acceptable Test Preparation Activities

- In-person CNOR review course
- CNOR test preparation materials
- Online CNOR test preparation courses
- No exam application fees

Application Criteria

1. Scholarship applications must be postmarked by **February 29, 2012**.
2. Exam preparation activities must take place by **September 30, 2012**.
3. Facilities which employ members of the CCI Board, AORN Board of Directors, or the AORN Foundation Board of Trustees are not eligible to apply.

Selection Criteria

All applicants must submit a typed, double-spaced application (*2 pages maximum*) that includes the following:

- ✓ Budget
- ✓ Program description
- ✓ Desired outcomes
- ✓ Statement on *What Does CNOR-Preferred Mean to Your Organization?*
- ✓ Description of organization's support of certification

Payment

The Foundation will award two organizations \$3,000 each at the time winners are announced. Upon completion on the program, awarded organizations must submit a summary of the project, and identify individuals who applied for the CNOR test as a result of the program.

Only winners will be notified by March 23, 2012.
