

PAVING THE

WAY TO

PATIENT SAFETY

Each day you act on your commitment to patient safety as a professional in perioperative nursing. The AORN Foundation is pleased to offer you, your chapter, state council, company or organization the opportunity to further advance patient safety by purchasing a personalized, engraved brick to be placed in the Pathway to Patient Safety. The Pathway to Patient Safety will be a permanent testimony of your commitment to this important cause, displayed at the entrance to AORN headquarters. Show others that you are a part of the legacy of advancing patient care by purchasing a brick in your own name, or pay tribute to a special family member or fellow colleague by purchasing a brick in their honor or memory. Proceeds of the Pathway to Patient Safety will support AORN Foundation programs.

Availability limited, order today!
