

AORN eSubscription Order Form – Multiple Sites

Please start an annual online subscription to AORN's *Perioperative Standards and Recommended Practices* for my institutions at the indicated level. I have reviewed the attached Licensing Terms and Notices and agree to them, and I have provided my institution's IP address range where indicated below. I understand that during the term of the subscription, according to the concurrency level subscribed to, users have unlimited access to the publication's current content, which will be updated semi-annually during the year.

Note: Annual subscription rates are quoted, and must be paid in, US dollars and are subject to change without notice. Some states may require sales tax. Your e-subscription will begin once payment is received (note: purchase orders are not considered a form of payment). All sales are final. Access rights to the content is by IP address range. (You may need to consult with your IT department for this information.)

Please indicate your IP address/address range: From _____ To _____

If you are purchasing an eSubscription for the first time and are part of a healthcare network, please be sure to request a unique IP address or range from your IT department for your location. If this is for a renewal order you don't need to provide IP address information again.
