

Save the Dates—Four Delegate Webinars before Congress

Gather your chapter members, alternates, and delegates together to participate in four **FREE** delegate webinars in February and March 2009. Two webinars are devoted to important delegate information (March 9 is tentative depending on AORN President and President-Elect) and two are specifically to cover the proposed AORN National bylaws changes. The schedule is:

- **Thursday, Feb 19** — Delegate Information — 7 pm EST, 6 pm CST, 5 pm MST, 4 pm PST
- **Tuesday, Feb 24** — Proposed AORN Bylaws Changes — 7:30 pm EST, 6:30 pm CST, 5:30 pm MST, 4:30 pm PST — Hosted by Bylaws Committee
- **Thursday, March 5** — Proposed AORN Bylaws Changes — 9 pm EST, 8 pm CST, 7 pm MST, 6 pm PST — Hosted by Bylaws Committee
- **Monday, March 9** — Delegate Information (Time to be determined if needed)

Each webinar will last approximately one hour. You will need a telephone and a computer. There will be time at the end for questions and answers. The webinars will be recorded, but the ability to ask questions and receive live replies will be lost, so...plan to participate!

Both of the Proposed AORN National Bylaws webinars contain the same material, so you only need to attend one. There will be a brief presentation on each bylaws article that contains proposed changes. While proposed changes will be shown on your computer screen, participation will be enhanced if you have a copy of the January *Journal* with you for reference. If you have questions regarding the AORN Bylaws changes, contact Byron Burlingame (bburlingame@aorn.org) at 800-755-2676 Ext. 489.

An e-mail invitation will be sent to all alternates, delegates, and chapter presidents on or before Feb 16.
