## Perioperative Nursing Video Library

PRESENTED BY

#### New Titles Now Available:

- Latex in the Perioperative Setting: Strategies for Patient and Staff Safety
- Workplace Safety

Ciné-Med, Inc. is proud to present the following collections, which have been compiled from the recommended videos list included in AORN's very popular Periop 101: A Core Curriculum™.

Periop 101: A Core Curriculum™ may be purchased from AORN. It is a convenient online program that allows perioperative educators to establish and deliver an ongoing education program for perioperative nurses. This program will help you develop more confident, better educated, and safety-conscious perioperative nurses.

To enrich and supplement the Periop 101 learning, AORN recommends the purchase of 33 video titles from the Perioperative Nursing Video Library. These videos are available in five subject-oriented collections. The accompanying study guides and posttests are included on a CD as PDF documents.

Individual titles are also available for purchase and are priced at one of three levels as indicated by the following symbols. Order by product code to the right of each title.

- AORN Members \$120.00  
Non-members \$240.00
- AORN Members \$100.00  
Non-members \$200.00
