

2009 Congress Education Grants

The AORN Foundation is offering grants for AORN members to attend AORN's 56th Annual Congress. These grants are made possible by the generous donations as shown below. The AORN Foundation and its Board of Trustees would like to express our gratitude to these donors for their continued support of perioperative nursing. To obtain an application, please visit the AORN Foundation homepage at www.aorn.org/AORNFoundation.

The AORN Exhibitors' Advisory Committee (EAC) continues its support of AORN members by providing grants to help defray the cost of attending the 2009 AORN Congress. EAC grants will be awarded to 50 AORN members in the amount of \$500 each.

The Integra Foundation returns as a Congress grant donor. Once again, they have made a donation to support AORN members attending the 2009 AORN Congress. Integra Foundation grants will be awarded to 50 AORN members in the amount of \$500 each.

Important Information:

Only one grant application is necessary to be considered for both of these grants.
