

# AORN eSubscription Order Form

Please start an annual online subscription to AORN's *Perioperative Standards and Recommended Practices* for my institution at the indicated concurrency level (i.e., the number of users at my institution who may simultaneously access the content). I have reviewed the attached Licensing Terms and Notices and agree to them, and I have provided my institution's IP address range where indicated below. I understand that during the term of the subscription, according to the concurrency level subscribed to, users have unlimited access to the publication's current content, which will be updated semi-annually during the year.

**Note:** Annual subscription rates are quoted, and must be paid in, US dollars and are subject to change without notice. Some states may require sales tax. Your e-subscription will begin once payment is received (note: purchase orders are not considered a form of payment). All sales are final. Access rights to the content is by IP address range. (You may need to consult with your IT department for this information.)
