TABLE OF CONTENTS

Foreword ........................................ page xi
Foreword II ..................................... page xii
Introduction ..................................... page xiii

MODULE I: ESSENTIAL ELEMENTS
OF RNFA PRACTICE
Purpose .......................................... 1
Objectives ........................................ 1
The Nursing Process ............................ 2
The RNFA Practice Model ..................... 5
Choosing and Practicing in a
Health Care Facility ............................ 6
Accountability .................................... 11
RNFA Practice and Billing Information .... 13
The Legal Landscape ............................ 19
RNFAs and the Legislative Process ........... 25
Ethics ............................................. 29

MODULE II: COMMUNICATION,
COLLABORATION, AND SAFETY
Purpose .......................................... 39
Objectives ........................................ 39
Communication and Collaboration ......... 39
Safety ............................................. 43

MODULE III: TISSUE HANDLING
AND WOUND HEALING
Purpose .......................................... 57
Objectives ........................................ 57
Techniques and Basic Principles of
Tissue Handling ................................ 57
Methods of Providing Exposure .......... 59
Suture Materials and Needle Properties ... 61
Suturing and Knot-Tying Techniques .... 63
Instruments ...................................... 66
Hemostasis ...................................... 70
Wound Closure .................................. 75
Surgical Wound Classification ......... 76
Complications of Wound Healing ....... 77
Specialized Tissue Healing ............. 78
Prevention of Infection .................. 79
Factors that Affect Wound Healing .... 81
Learning Activities ...................... 91

MODULE IV: SURGICAL PROCEDURES
Purpose .......................................... 97
Objectives ........................................ 97
Confirmatory Assessment of the
Surgical Patient .............................. 97
Learning Activities ...................... 102

Section 1: General Surgery/Gynecology/Urology
Cholecystectomy ............................. 103
Cesarean Delivery ......................... 109
Open Inguinal Hernia Repair .......... 115
Mastectomy .................................. 121
Open Colectomy ............................. 127
Exploratory Laparotomy for Damage Control of
Blunt and Penetrating Trauma ......... 139
Abdominal Hysterectomy ............ 145
Open Retroperitoneal Radical Nephrectomy . 149
Open Radical Retropubic Prostatectomy .. 153

Section 2: Minimally Invasive Surgery
Total Laparoscopic Hysterectomy .... 163
Laparoscopic Cholecystectomy ....... 168
Laparoscopic Nissen Fundoplication .... 171
Robotic Prostatectomy .................. 175
Robotic Nephrectomy ................... 178

Section 3: Orthopedics: Total Joint Arthroplasty
Total Hip Arthroplasty ................. 183
Total Knee Arthroplasty .......... 188
Total Shoulder Replacement .......... 192

Section 4: Orthopedics: Bone Fractures
Fracture Reduction ..................... 197
Intramedullary Nailing of a Tibial Shaft Fracture . 199
Open Reduction Internal Fixation of a
Distal Radius Fracture ............. 204
Ankle Fractures ......................... 207

Section 5: Neurology: Head and Spine
Craniotomy for Subdural Hematoma .... 213
Craniotomy for Repair of Aneurysm .. 216
Anterior Cervical Discectomy and Fusion
with Bone Graft ......................... 222
Lumbar Microdiscectomy with Posterior
Lumbar Interbody Fusion ........... 226

Section 6: Cardiovascular
Cardiovascular Procedures .......... 231
CABG with Arterial and Venous Conduits . 239
Valve Repair/Replacement: Aortic Valve .... 242
Valve Repair/Replacement: Mitral Valve ... 244
Valve Repair/Replacement: Tricuspid Valve .. 245
Table of Contents

Valve Repair/Replacement: Pulmonary Valve . 246
Aneurysm/Dissection Repairs ................. 246
Aneurysm/Dissection Repairs:
  Ascending Aorta .............................. 247
Aneurysm/Dissection Repairs: Aortic Arch . 247
Aneurysm/Dissection Repairs: Descending
  Thoracic Aortic .............................. 248
Surgery for Conduction Disturbances:
  Atrial Fibrillation .......................... 248

Section 7: Peripheral Vascular
  Infrarenal Abdominal Aortic Aneurysm ...... 255
  Carotid Endarterectomy ...................... 263

Section 8: Otolaryngology
  Thyroidectomy ............................... 273
  Parathyroidectomy .......................... 281
  Tracheostomy ................................. 290
  Radical Neck Dissection ..................... 294

MODULE V: MANAGEMENT OF PERIOPERATIVE COMPLICATIONS
  Purpose ....................................... 305
  Objectives .................................... 305
  Preoperative Evaluation of the Surgical
    Patient ..................................... 305
  Hemodynamic Complications ................ 311
  Metabolic Complications .................... 314
  Cardiac Complications ...................... 321
  Hematopoietic Complications ............... 324
  Neurosurgical Complications ............... 326
  Endoscopic Complications .................. 329
  Anesthetic Complications ................... 331
  Intraoperative Complications ............... 341
  Learning Activities .......................... 343

APPENDICES
  Appendix A: Contact Information for State Boards of Nursing ............. 347
  Appendix B: Certification Information and Sample Test Questions ........ 353
  Appendix C: RN First Assistant Job Description ......................... 359
  Appendix D: RN First Assistant Competency Verification Tool .......... 363
  Appendix E: Sample Operative Progress Note and Operative Report ....... 379
  Appendix F: Helpful Mnemonics ........................................ 381
  Appendix G: AORN Resources for the RN First Assistant ............... 383

INDEX ........................................... 385

Tables and Special Features

MODULE 1
  Table 1. PNDS Language ....................... 5
  Table 2. Privileging Policy and Procedure .... 8
  Sidebar: Legislative Process: Lessons Learned .. 26

MODULE 2
  Special Feature: A Locum Life: The RNFA Traveler’s Journey ............ 51
  Special Feature: I Didn’t Know What I Didn’t Know: A Practical Path from APRN to RNFA .......... 54

MODULE 3
  Table 1. Knot-Tying Principles .................. 64
  Table 2. Surgical Wound Classification ......... 76
  Table 3. Common Autoimmune Disorders ......... 84

MODULE 4
  Table 1. Laboratory Test Values ................ 100
  Table 2. Characteristics of Inguinal Hernias .. 117
  Table 3. Positioning Resources ................ 194
  Table 4. Neurological Examination ............... 200
  Table 5. Thoracic Incisions ..................... 238

MODULE 5
  Table 1. Appropriate-Sized Laryngeal Mask Airway ...................... 333
  Table 2. Complications Associated with Endotracheal Tubes .......... 334
  Table 3. Pharmacologic Preoperative Medication ...................... 336
  Table 4. Causes of Postoperative Nausea and Vomiting ............... 340
Figures

MODULE 1
Figure 1. Perioperative Plan of Care
  Clinical Workflow ................. 4
Figure 2. The Perioperative Patient
  Focused Model ................. 4

MODULE 4
Figure 1. Anatomy of the gall bladder ....... 105
Figure 2. Angled right subcostal margin
  incision .......................... 107
Figure 3. Anatomy of the uterus .......... 110
Figure 4. Location of incision for the
  Lichtenstein procedure ............. 118
Figure 5. Anatomy of the breast ........ 122
Figure 6. Incisions for skin-sparing
  mastectomy ........................ 124
Figure 7. Skin flap for mastectomy ....... 126
Figure 8. Anatomy of the large intestine 129
Figure 9. Anatomy of the kidney ......... 151
Figure 10. Anatomy of the male
  reproductive and urinary system .... 154
Figure 11. Surgical robotic system ...... 164
Figure 12. Incisions for laparoscopic
  cholecystectomy .................. 169
Figure 13. Incisions for laparoscopic
  Nissen fundoplication ............ 173
Figure 14. Incisions for robotic
  prostatectomy ..................... 176
Figure 15. Incisions for robotic partial
  nephrectomy ....................... 179
Figure 16. Anatomy of the hip ........... 184
Figure 17. Anatomy of the knee ......... 188
Figure 18. Bones of the lower leg ........ 200
Figure 19. Distal radial fracture ......... 205
Figure 20. Subdural hematoma .......... 214
Figure 21. Bottom view of the brain
  showing the circle of Willis .......... 218
Figure 22. Middle cerebral artery aneurysm 219
Figure 23. The cervical spine .......... 223
Figure 24. Incision along the medial
  sternocleidomastoid muscle .......... 224
Figure 25. Example of instrumentation
  for arthrodesis .................... 225
Figure 26. Anatomy of the vertebrae ...... 227
Figure 27. Anatomy of the heart ........ 234
Figure 28. The cardiac conduction system 235
Figure 29. The abdominal aorta ........ 256
Figure 30. The carotid artery .......... 264
Figure 31. Anatomy of the throat ...... 275
Figure 32. Markings for a
  thyroidectomy incision .......... 278
Figure 33. The right lobe of a large
  multinodular goiter .............. 279
Figure 34. Parathyroid adenoma .......... 281
Figure 35. Selective neck dissection ..... 300

MODULE 5
Figure 1. Fishbone diagram used to
  document the complete blood count .. 313
Figure 2. Fishbone diagram used to
  document laboratory examinations .. 317
Figure 3. Cricoid pressure ............. 332
Figure 4. Optimal facemask ventilation ... 333
CONTRIBUTORS

Sheila L. Allen, BSN, RN, CNOR, CRNFA(E)
Clinical Education Specialist
SurgiCount Medical/Stryker
Meeker, CO

Patrick Burniston, AS, AAS(N), RN, EMT-P, CNOR
Chief Health Services Technician, US Coast Guard (Retired)
RN First Assistant
Sharon Regional Health System
Sharon, PA

Melissa Butler, MS, ANP, RN, CRNFA
NP/CRNFA
Syracuse Orthopedic Specialists
Syracuse, NY

William Duffy, MJ, RN, CNOR, FAAN
Chief Nursing Officer
Lake Shore Region Presence Health System
Chicago, IL

Michael J. Garufi, BSN, RN, CNOR, CRNFA
RN First Assistant
Ross Heart Hospital, Wexner Medical Center at The Ohio State University
Columbus, OH

Miko L. Grendow, CRNA, MSN
Certified Registered Nurse Anesthetist
Cleveland Clinic
Cleveland, OH

Rita L. Griffith, MS, BSN, RN, CNOR, CRNFA
RN First Assistant/CEO
First Assistants, Inc
Indialantic, FL
Director, Professional Assistants PRN RNFA Education Program
Southwest Florida College
Melbourne, FL

Amy L. Hader, JD
Director, Legal & Government Affairs
Association of periOperative Registered Nurses
Denver, CO

Nicole H. Higginbotham, RN, MSN, APRN
RN First Assistant
Lead APRN/PA Pediatric Specialty Services, Neurosciences
Dell Children’s Medical Center
Austin, TX

Patricia L. Houck, RN
Registered Nurse
Good Samaritan Hospital
Baltimore, MD

Denise Jackson, MSN, RN, CNS, CRNFA
Shannon Medical Center
2501 Christoval Rd
San Angelo, TX

Karen Knapp, BSN, RN, CNOR, CRNFA
RN First Assistant
Travel Nurse
New Era, MI

Jeanne K. LaFountain, MBA, BSN, RN, CNOR, CRNFA
Nursing Program Manager/RN First Assistant
Ohio State University Wexner Medical Center
Columbus, OH

Heidi Nanavati, MSN, FNP-BC, CNOR
Nurse Practitioner, RNFA
Mercy Medical Center
Baltimore, MD

Louise M. Pasaka, MSN, RN, CNOR
RN First Assistant Educator and Program Director
Professional Nursing Seminars
Taos, NM

Judy Roche, RN, CNOR, CRNFA
RN First Assistant/CEO
Freelance Assistants, Inc
Denver, CO

Robert E. Salsameda, MPA, MSN, RN, NP-C, CRNFA
RN First Assistant/Neurosurgical Nurse Practitioner
MemorialCare Medical Group: Neurosurgery
Long Beach, CA
Course Chair, RN First Assistant Programs
University of California, Los Angeles Extension
Los Angeles, CA
Contributors

Edward Schatz, RN, CNOR, CRNFA
Manager, CVOR
Inova Heart and Vascular Institute
Falls Church, VA

Kathryn Schroeter, PhD, RN, CNOR, CNE
Assistant Professor
Marquette University College of Nursing
Adjunct Assistant Professor, Center for Bioethics & Medical Humanities
Medical College of Wisconsin
Milwaukee, WI

Patricia C. Seifert, MSN, RN, CNOR, CRNFA, FAAN
RNFA, Educator
Cardiovascular Operating Room
Inova Heart and Vascular Institute
Falls Church, VA

James X. Stobinski, PhD, RN, CNOR
Director of Credentialing and Education
Competency & Credentialing Institute
Denver, CO

Diana L. Wadlund, MSN, ACNP-C, CRNP, CRNFA
Nurse Practitioner/RN First Assistant/Surgical Specialist
Paoli Hospital
Paoli, PA

Joanne C. Wentzell, RN, MSN, CNOR, CRNFA
Self-employed Certified Registered Nurse First Assistant
SurgAssist Surgical Services, LLC
Gibbsboro, NJ

Jennifer L. Zinn, DNP, RN, CNS-BC, CNOR
Clinical Nurse Specialist, Operative Services
Cone Health
Greensboro, NC
