LEARNING OUTCOME

After completing this continuing nursing education (CNE) learning activity, the perioperative RN will have increased his/her knowledge of current, evidence-based perioperative practices and preparation strategies to successfully complete the CNOR® exam.

OBJECTIVES:

1. Review evidence-based perioperative nursing principles and practices.
2. Discuss key components of the nursing process related to perioperative nursing care.
3. Examine test taking strategies to maximize performance on the CNOR® exam.
4. Develop a personal study plan for success.

*After completing the online assessments, weekend event, and course evaluation, participants will be able to receive

17.4

CNE CONTACT HOURS.

ABOUT OUR PRESENTER:

Sarah Bosserman, BSN, RN, CNOR is a clinical nurse educator for WellSpan Health York Hospital in York, Pennsylvania, a Level I Trauma Center and Bariatric Center of Excellence. Sarah's nursing experience includes staff nurse, 2016 York evidence-based practice fellow, perioperative educator, poster presenter, and lecturer for perioperative nursing topics including preparing nurses to take the CNOR® exam.

Accreditation: Association of perioperative Registered Nurses (AORN) is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

AORN is provider-approved by the California Board of Registered Nursing, Provider Number CEP 13019. Check with your state board of nursing for acceptability of education sessions for re-licensure.

The Prep for CNOR Live program is designed strictly to be used as review and preparation for the CNOR exam. AORN does not administer the CNOR exam; the CNOR exam is administered by the Competency and Credentialing Institute. Candidates for the CNOR exam must meet the eligibility requirements as defined by the Competency and Credentialing Institute.
