LEARNING OUTCOME

After completing this continuing nursing education (CNE) learning activity, the perioperative RN will have increased his/her knowledge of current, evidence-based perioperative practices and preparation strategies to successfully complete the CNOR exam.

OBJECTIVES:

1. Review evidence-based perioperative nursing principles and practices.
2. Discuss key components of the nursing process related to perioperative nursing care.
3. Examine test taking strategies to maximize performance on the CNOR exam.
4. Develop a personal study plan for success.

*After completing the online assessments, weekend event, and course evaluation, participants will be able to receive

17.4

CNE CONTACT HOURS.

ABOUT OUR PRESENTER:

Antonia (Toni) Hughes, MA, BSN, RN, CNOR is a perioperative education consultant and perioperative nursing expert. As a past chairperson of the Recommended Practices Advisory Board (2013-2014) and member of the Guidelines Advisory Board (2014-2015) Ms. Hughes will share her extensive knowledge of evidence-based perioperative practices with the attendees.

Accreditation: Association of perioperative Registered Nurses (AORN) is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

AORN is provider-approved by the California Board of Registered Nursing, Provider Number CEP 13019. Check with your state board of nursing for acceptability of education sessions for re-licensure.

The Prep for CNOR Live program is designed strictly to be used as review and preparation for the CNOR exam. AORN does not administer the CNOR exam; the CNOR exam is administered by the Competency and Credentialing Institute. Candidates for the CNOR exam must meet the eligibility requirements as defined by the Competency and Credentialing Institute.
