## LEARNING OUTCOME

After completing this continuing nursing education (CNE) learning activity, the perioperative RN will have increased his/her knowledge of current, evidence-based perioperative practices and preparation strategies to successfully complete the CNOR® exam.

## EDUCATIONAL OUTCOMES:

1. Review evidence-based perioperative nursing principles and practices.
2. Discuss key components of the nursing process related to perioperative nursing care.
3. Examine test taking strategies to maximize performance on the CNOR® exam.
4. Develop a personal study plan for success.

\*After completing the online assessments, weekend event, and course evaluation, participants will be able to receive

# 17.4

CNE CONTACT HOURS.

## ABOUT OUR PRESENTER:

Daphny Grace Peneza, MSN, RN, CNOR, CCSM is a perioperative nursing expert with over five years of clinical experience and currently serves as a service line specialist for the department of neurology and RN IV's at Memorial Herman Hospital, Texas Medical Center in Houston, Texas. Ms. Peneza will share her extensive knowledge of evidence-based perioperative practices and test-taking strategies with attendees to prepare them to take the CNOR® exam.

## PROGRAM AGENDA

No walk-in registration available.  
Additional course information will be sent via email to registered participants.
