LEARNING OUTCOME
After completing this continuing nursing education (CNE) learning activity, the perioperative RN will have increased his/her knowledge of current, evidence-based perioperative practices and preparation strategies to successfully complete the CNOR® exam.

EDUCATIONAL OUTCOMES:
1. Review evidence-based perioperative nursing principles and practices.
2. Discuss key components of the nursing process related to perioperative nursing care.
3. Examine test taking strategies to maximize performance on the CNOR exam.
4. Develop a personal study plan for success.

*After completing the online assessments, weekend event, and course evaluation, participants will be able to receive 17.4 CNE CONTACT HOURS.

Note: Cancellation: AORN may cancel the event based on low registration. A minimum of 10 registrations is required 30 days prior to the event.

Accreditation: Association of perioperative Registered Nurses (AORN) is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

AORN is provider-approved by the California Board of Registered Nursing, Provider Number CEP 13019. Check with your state board of nursing for acceptability of education sessions for re-licensure.
