PRESIDENT’S MESSAGE

Thank you to our supporters who made 2015 a great year for the AORN Foundation. Through the support of individuals, corporations, and foundations we truly impacted the lives of the nurses we serve.

Creating lifelong learning opportunities for perioperative nurses is crucial to the future of the profession. In 2015, our programs helped hundreds of nurses achieve their goals of higher education and professional advancement. Our educational resources reached thousands of nurses across the country through seminars and online tools.

This year we launched a new Mentoring Program for our undergraduate scholarship recipients. This program pairs selected student mentees with perioperative professional mentors to develop supportive relationships and encourage students to pursue a career in perioperative nursing.

On behalf of the AORN Foundation Board of Trustees, thank you for your support and commitment to our mission. In 2016, the AORN Foundation will celebrate its 25th anniversary of supporting the nurses who make surgery safe. We look forward to celebrating with you.

Sincerely,

Charlotte Guglielmi, MA, BSN, RN, CNOR
Beth Israel Deaconess Medical Center
AORN Foundation President

MENTOR PROGRAM

In 2015, the AORN Foundation launched a new Mentor Program to continue to build on its mission to support perioperative education. The opportunity to participate in the Mentor Program was offered to all of the undergraduate academic scholarship recipients awarded in 2015. The mentor selection process was specifically targeted to the geographic area of each student. The mentors were required to complete an application and commit to the nine month program.

The Mentor Program is designed to engage the mentors and mentees for the school year and encourage them to communicate at least once per month, either in person when possible or via phone or video call. The Program’s goals are for mentors to develop supportive relationships with mentees and encourage them to pursue careers in perioperative nursing, in addition to AORN involvement.

This first year, the Mentor Program successfully paired 12 mentors with mentees across the country. The students range from freshmen to seniors. The AORN Foundation staff checks in monthly with the participants to encourage communication and share and questions, concerns, and successes.

MENTEE VOICES

“I was able to make connections with AORN members and professionals who will be valuable references for me in my future once I begin applying for jobs.”

“It was great just to hear firsthand what being a perioperative nurse is actually like.”

Mentor, Carrie Hickman, BSN, RN, a nurse at Shriners Hospital for Children, with mentee Diane Gifford, a student at Westminster College, Salt Lake City, UT
2015 AORN SURGICAL CONFERENCE & EXPO

A special thank you to our partners who supported the AORN Foundation at the 2015 AORN Surgical Conference & Expo in Denver, Colorado. The Foundation Gold Rush Party, Race for Patient Safety 5K run/3K walk, and Zumba fitness class were highlights of the Conference.

Tuesday of the Conference was designated as AORN Foundation Day to recognize the Foundation’s commitment to the perioperative profession and dedication to the mission of promoting patient safety.
2015 OUTSTANDING NURSE PHILANTHROPIST

The AORN Foundation was honored to present Vivian Watson, RN, CNOR, of Soso, MS, with the 2015 Outstanding Nurse Philanthropist Award at the AORN Surgical Conference & Expo in Denver, CO. Each year, this award is given to a nurse who has truly demonstrated a strong philanthropic spirit and has motivated others to give of themselves.

Vivian has committed years of service to AORN and has continually supported the AORN Foundation. Her friends and colleagues have said she exemplifies the spirit of giving.

WORDS OF GRATITUDE

“The most beneficial element of the AORN Surgical Conference & Expo to me was being connected to 5,000 perioperative nurses and expert leaders who are committed to patient safety. Each education session I attended had up-to-date information. The exhibit hall had the newest technology combined with education opportunity for me apply to my practice. AORN is committed to both nurse and patient.”

We have audited the accompanying financial statements of AORN Foundation, which are comprised of the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AORN Foundation as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
