

## Pinpoint Your Best Opportunities Every Day

# Stay Informed About New and Renovated Facilities

## New Surgical Construction Bulletin

Billions of dollars are up for grabs as new surgical facilities are built or expanded. You can beat the competition — and be the first to connect with these valuable prospects! The powerful **New Surgical Construction Bulletin (NSCB)** alerts you daily to new projects and renovations across the country. **NSCB** provides tracking and communications tools to make reporting and accountability a snap for your sales team. When you subscribe, you will gain access to the complete database of active projects.

## NEW SURGICAL PROJECTS POSTED OVER 12 MONTHS

### BENEFITS WHEN YOU SUBSCRIBE

- ▶ Complete PROJECT DETAILS – We include the project’s location, value, description and contact info where available.
- ▶ Accountability – Be sure that every salesperson, independent rep or distributor is addressing the best opportunities for your company.
- ▶ Comprehensive COVERAGE – Surgical project data from all 50 states.
- ▶ Timely INFORMATION – Continuous updates in real time daily.
- ▶ Ease of use – Simple point-and-click interface.
- ▶ Efficiency – Only surgical projects are included.

Scan the QR code or visit us for a tour of the **NSCB**
