

USE OUR POWERFUL DATA TOOLS TO FIND NEW CUSTOMERS

Discover Your BEST Prospects!

Look into any U.S. Medicare-certified surgical facility or physician's office and instantly know its procedural volumes by CPT/HCPC code, the physicians operating there, key contact information, the number of ORs and much more. Then imagine the impact this amazing data tool will have on your sales team's efficiency, effectiveness and revenue. **Your Outpatient Surgery Sales Assistant** offers that kind of power!

- ▶ High sales efficiency – Discover the procedures most relevant to you and your team.
- ▶ Complete details – Find all the facilities and surgeons in any state, county, metro area or ZIP code. Learn their Medicare volume and estimated total volume by more than 10,000+ different procedure codes or specialties. Know exactly where surgeons operate.
- ▶ Ease of use – Efficient, easy-to-use interface your team can use every day.
- ▶ Timely, audited contact information – Updated regularly for the best information anywhere. An **Outpatient Surgery** exclusive!
