

PARTNERSHIP PROPOSAL

AORN Foundation 2500 Club

Your partnership as a member of the 2500 Club is an opportunity to demonstrate your commitment to perioperative nurses and their critical role in patient and workplace safety. In addition to supporting the charitable programs of the AORN Foundation, your partnership provides recognition at the AORN Global Surgical Conference & Expo 2026.

**The AORN Foundation exists to advance patient safety
by *Supporting the Nurses Who Make Surgery Safe.***

Partnerships allow us to fulfill this mission, and are met with gratitude from nurses as seen here:

"As a recipient of the AORN Foundation Expo grant I am so honored and privilege to have been chosen. As a first-time attendee, I am so thrilled and excited to be a part of the AORN Surgical Conference and Expo this year. I have always wanted to be a part of the conference as I know that this will hone and broaden my knowledge, develop my skills and attitude towards innovations, research, and evidence-based practice. Not only will it help me in my personal development but also will help me build rapport, camaraderie, and strong friendship among my fellow RNs. I've always loved to learn and for me learning is constant. As a nurse who loves to learn this conference will also help me share my knowledge to all the future RNs. Thank you AORN Foundation. It's been an honor and privilege to be a part of the community."
