

# AORN JOURNAL

THE OFFICIAL VOICE OF PERIOPERATIVE NURSING

## Journal Club Discussion Guide

1. Describe the most valuable or important concepts included in this article.
2. Explain how this article supports your current practice or provides suggestions for possible practice changes.
3. Please share any clinical experiences or policies at your facility that relate to this article.
4. What additional questions do you have after reading this content?
5. What other resources (eg, podcasts, association websites, online videos, vendor websites, AORN products) are available to provide information on this topic?

**Note:** Although this discussion guide can be used for any *AORN Journal* or other journal article, members can easily obtain complimentary CNE for journal club activities involving an *AORN Journal* CNE article at <https://aorn.org> by signing in, clicking “My AORN” and accessing the “Learning Center.”
