

# ORGANIZATIONAL MEMBERSHIP

## SAFE SURGERY TOGETHER

### SUPPORT BEST PRACTICE & PROFESSIONAL DEVELOPMENT

Building a culture of safety takes an engaged perioperative staff committed to continuing education, professional development, and having clinical resources to support them.

**Ensure Evidence-Based Practice:** Provide access to the AORN *Guidelines for Perioperative Practice* and the clinical tools needed for turnkey implementation of best practices.

**Offer Career Guidance & Professional Development:** Unlock access to the AORN Mentor Program, CNOR prep course, 200+ CNEs annually, *AORN Journal*, and more.
