• 9,700 total attendees
• 6,000 executives, directors, managers, staff nurses, and other perioperative professionals from the busiest surgical facilities
• 2,100 attendees have direct veto authority and are members of purchasing/evaluating committees

Exhibitors Can Provide Education from their Booth
• Attendees may earn over 100 hours of CE inside the Expo Hall

Reverse Trade Show
• Exhibitors have the opportunity to participate in our unique speed meeting program that connects you one-on-one with decision makers from the top 20% surgical facilities in the U.S.

Career Center
• Career-related exhibits with educational resources, publications, and recruiters

AORN Works to Ensure Attendees Stay on the Trade Show Floor:
• 13 Exclusive Expo Hall hours – so you won’t compete with education!
• Expo Hall Opening Reception to kick off the trade show
• Interactive simulation activities strategically placed throughout the floor
• Snack stations and food vouchers
• Fun and engaging traffic driver programs offered, such as in-booth education and scavenger hunt games

“As a first-time exhibitor, we felt the AORN Expo was a great experience. We were able to promote a re-branded product and gain a lot of exposure to new customers. Thank you AORN and see you in 2020!”

– Suzanne Leopold,
3T Medical Systems

SAFE SURGERY TOGETHER

The Association of periOperative Registered Nurses (AORN) was founded in 1949 to establish a national community for operating room nurses who sought to share best practices for patients undergoing surgery. Today, we unite and empower perioperative nurses, healthcare organizations, and industry partners to support safe surgery for every patient, every time.

You'll find AORN resources used in every hospital and ambulatory center across the country, including:

• The evidence-based *Guidelines for Perioperative Practice*
• Perioperative staff education
• Career and leadership development guidance
• Facility and health system solutions

AORN represents the interests of more than 160,000 perioperative nurses, including 43,000 RN members. AORN’s organization also includes AORN Foundation, Pfiedler Education, AORN Syntegrity, *AORN Journal*, *Outpatient Surgery Magazine* and OR Excellence conference.

OUR MISSION

Our mission is to promote safety and optimal outcomes for patients undergoing operative and other invasive procedures by providing practice support and professional development opportunities to perioperative nurses. AORN will collaborate with professional and regulatory organizations, industry leaders, and other health care partners who support the mission.

OUR VISION

AORN will be the indispensable resource for evidence-based practice and education that establishes the standards of excellence in the delivery of perioperative nursing care.
